COMPLETION CERTIFICATE OF SUMMER INTERNSHIP

Date: 11-06-2021

Enrollment: 196170307547

Semester: 5th, Computer Engineering

To Pawar Shubham Prakash,

We are delighted to provide this certificate to you for topics learned and work performed during free online internship. The duration of internship program was from 24 May 2021 to 8 June 2021 (2 Weeks) organized by InfoLabz IT Services PVT. LTD, Ahmedabad.

In this internship tenure we have covered basics of python data structure and provided hands on internship experience on logic development with python. We have also covered API handling along with different live API(s) and Data Analysis using numpy and pandas.

We wish you all the best for future endeavours.
